

# Photo Entry Rules:

- All legal, native fish caught must be photographed and sent to registration tent.
- Photos must be of a live fish – any signs of excessive blood or improper handling will be considered unfit for entry.
- Fish must be photographed on a brag mat with the photo taken square on to the fish with numbers visible.
- Your entry tag must be placed at the top of the mat and be clearly seen in the photo
- The nose of the fish must be level with the zero mark or against the stopper if your mat has one.
- The entire fish and the edge of the measuring mat must be visible so the length can be clearly identified.
- The dorsal fin should be at the top of the mat.
- The mat should be on a flat surface with no creases.
- Entries will be judged on length in cm and must be rounded down to the nearest centimetre.
- To take the lead, the fish must be 1cm longer than the current leader.
- Any digital manipulation will be considered cheating and entrants will be disqualified from the competition.

Murray Cod & Yellow Belly are to be returned promptly to the water.

Carp and Redfin are not to be returned to the water.
